CLAIM

We claim the ornamental design for an expandable pizza container, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of an expandable pizza container showing my new design; and,

FIG. 2 is a top view of the expandable pizza container.

The body of the expandable pizza container is disclaimed. Any portion of the body and the bottom of the lid forms no part of the claimed design. Applicant seeks only to claim the configuration of the top of the lid. (The body of the expandable pizza container is shown in broken lines for illustrative purposes only and forms no part of the claimed design.)
